

Note to Data Users

BNLA Data Release 6.0

Files in this data release

BNLA Data Release 6.0 contains the following data files and documentation:

- Combined Wave 1 data file (bnla_a60gr)
- Combined Wave 2 data file (bnla_b60gr)
- Combined Wave 3 data file (bnla_c60gr)
- Wave 3 Child Self-Report data file (bnlasr_c60gr)
- Combined Wave 4 data file (bnla_d60gr)
- Combined Wave 5 data file (bnla_e60gr)
- Wave 6 data file (bnla_f60gr)
- Wave 6 Youth data file (bnlay_f60gr)
- Frequency tables for BNLA data files
- Marked-up questionnaires for all waves
- Data Users Guide
- Data Users Guide summary of Wave 6 changes
- Data Dictionary
- Note to Data Users (this document).

Use of these datasets is governed by the Deed and the Access and Use Guidelines available from: [DSS Longitudinal Studies Dataverse \(ada.edu.au\)](https://ada.edu.au).

Corrections

Wave 5 corrections:

eem_income value updated for 4 respondents

Wave 1 to 6 corrections:

zcob_sacc, zcob_minor and zcob_major values updated for 1 respondent

Errors

From time to time, errors are discovered in the released data. If these are only minor, corrections to the data will await the next release. If you find errors in the data or documentation, please let us know so that corrections can be made to the next release. Users will be informed if any major error is discovered.

If you any have questions, please email bnladatamanager@aifs.gov.au or LongitudinalStudies@dss.gov.au.
